Why Train With Us?

Built on almost 20 years of experience in training high-quality healthcare professionals, the Inpatient and Outpatient Medical Coding and Billing program helps you quickly gain the knowledge and skills you need to prepare for national certification, get a job, and excel in your new career. With this training program, you'll have everything you need to succeed, including comprehensive curriculum, flexible online training, and dedicated student and graduate support.

Comprehensive Curriculum

This program's comprehensive curriculum was developed by industry experts and includes real-world practical experience to ensure that you gain the skills you need to excel in the workforce. The curriculum is specially designed to:

- Help you gain the knowledge and skills of both an inpatient and outpatient medical coder and biller
- Prepare you to pass national certification exams offered by AAPC and AHIMA
- Train you to begin working immediately upon graduation

Flexible Online Training

With online training, you can minimize the challenges of taking time out to return to school. The online training format offers distinct advantages, including the opportunity to:

- Study on a schedule that fits your life
- Enjoy the flexibility to adjust the time and effort you devote to your coursework each day
- Progress at the pace that matches your learning style

Live Student & Graduate Support

Enjoy the benefits of an online course with the reassurance of dedicated support when you need it. The Inpatient and Outpatient Medical Coding and Billing program includes access to three professional support teams—student support, technical support, and graduate support. All of these teams are committed to helping you:

- Graduate quickly
- Prepare for the national certification exams
- Successfully move into the workforce
